MEMO TO: All OAIMA Members

Re: New **STONE Fellowship Program** - Sponsorship Opportunities for 2017 Project STONE Fellowships– Science Teaching for Ohio's New Economy- Summer Field/Lab Experience – June 19-23 and June 26- June 30, 2017

OAIMA members may sponsor a Teacher to receive up to 3 Semester Hours of Graduate Credit (a \$750 value)

Please consider sponsoring a Teacher for the 2017 STONE Fellowship Program. OMMEP will fund up to eight (8) teachers in 2017.

By sponsoring a local teacher you insure that the teachers who influence our children are equipped with the truth about our industry. In addition, you create a lasting relationship with the teacher and the school district. The information provided in the STONE program and the goodwill created between your company, the teacher and the school district will pay dividends for years to come.

 YES, We will sponsor a teacher for a 2017 STONE Fellowship

My Company Name: _____
