

OAIMA Safety Materials

Personal Protective Clothing & Equipment (1 Box)
Guidelines for Traffic Control at Surface Mines & Installations (1 Box)
First Aid Booklet (1 Box)
Miner's Rights and Responsibilities (2 Boxes)
30 CFR Part 46 Starter Kit with Sample Training Forms (20)
30 CFR Part 50 Coal & Metal/Non-Metal Entry Level Training Student Text Manual (12)
30 CFR Part 50 Coal & Metal/Non-Metal Instructors Guide (1)
30 CFR Part 46 Instructors Guide with Lesson Plans (12)
Part 46 Reference Guide
Part 48 Reference Guide
Part 46 and Part 48 Reference Guide
Tool Box Training for Construction Aggregate Miner's (15)
Understanding MSHA's HazCom
Training Program – Metal and Non-Metal Surface Mines (2)
Winter Alert – Blue Booklet
Electrical Hazards - Yellow Booklet
Make the Right Decision Compliance Guide
Industrial Hygiene – Sampling for Silica & Noise
A Root Cause Process for Accident, Incident, and Violation Analysis
Front-end Loader Hazards Awareness Program
SLAM RISKS – Coal & Non-Metal Fatalities July-December 2010
Instructor Training Workshop Part 46
Safety and Health Audit for Aggregate Operators Surface Metal & Non-Metal
Dump-Point Inspection Handbook
Educational Field and Small Mine Services (white booklet)
MSHA's Guide to Equipment Guarding
Examinations of Working Places in Metal & Non-Metal Mines (white booklet)
Electrical Calculations (Blue spiral book 4)
Collecting Safety Hazard Training 2017 (1 binder)
An Act – Federal Mine Safety & Health Act of 1977 (white booklet 1 box)
Fire Safety (1 booklet)

DVD's

Front End Loader Safety
Blind Spots can Kill
Junkyard Guards
Equipment Guarding
Safety on or Near Water
Customer & Delivery Truck Driver Hazard Training
Dump-Point Safety Stockpiles & Wastepiles

Fall Protection Your Lifeline to Safety
Reducing Dust inside Enclosed Cabs
Good Berms Save Lives
Aggregate Safety Series Small Mines
A Guide to Miners Rights & Responsibilities
Aggregate Safety Series – Dredging
Surface Conveyor Safety
A Voice in the Workplace – Miner’s Rights & Responsibilities
Confined Spaces in Mining
Safety on the Move – Truck Haulage Safety
Stay Out & Stay Alive
Diesel Regulations Light Duty Vehicles
Diesel Regulations Heavy Duty Vehicles
Highwall Hazard Recognition
Training Materials Collection for Metal & Non-Metal Mines
Slips, Trips, and Falls
Rock Falls Preventing Rock Fall Injuries in Underground Non-Coal Mines
Workplace Examinations Surface Metal/Nonmetal
Respirators – Your Last Defense
Supervising the Unimaginable
Fatal Alert: Entry into Storage Silos
Lock Out and Tag for Safety
Hazard Recognition and Avoidance
Reflective Clothing – the Choice is Yours!
Silicosis: A Preventable Disease
Stay Calm and Stay in the Cab
Dust the Invisible Enemy
Conveyor Belt Safety
Welding Safety
Survivor Stories of the Coal Mining Industry
Equipment Guarding 1
Equipment Guarding 2
Truck Haulage Safety Series
Haul Road & Dump Site Berms
Hazard Communications
MSA W-65 Filter Self-Rescuer
What Could Happen? Effective Risk Assessment
Material Handling Safety at Surface Mines, Mills, and Plants
Inspecting Highwall
Accident Reduction Program Post Accident Remedies Technical Support
SLAM For Life MSHA Risk Assessment
Highway Truck Inspection
Winter Alert

Respirable Dust Sampling
A Best Practice Guide to the Milling of Slate
Ohio's Geology in Core and Outcrop –
 A Field Guide for Citizens and Environmental and Geotechnical Investigators
