

Aggregate Plant Manager

Mid-Ohio Aggregates, LLC is excited to announce an opening as an **Aggregate Plant Manager** at the **Bellville Sand & Gravel Pit in Bellville, OH**. Mid-Ohio Aggregates is currently seeking a self-motivated and dependable full-time Aggregate Plant Manager to work in Bellville, OH. Ideal candidate will have experience working within a quarry / mine and proven safety track record.

Schedule: Monday through Friday (day shift), Saturdays (as needed)

Requirements:

- Be One Team: An OTG teammate is willing to help where needed and prioritizes the safety of themselves and their team. They don't say, "that's not my job."
 - o Perform daily preventative maintenance and safety checks.
 - o Comply with all company policies and procedures.
 - o Ability to operate pieces of equipment if needed, such as a front-end loader.
- Customer Obsession: When a customer wins, we win. We want customers to say, "it's just that easy to work with Mid-Ohio Aggregates."
 - o Provide VIP treatment to customers.
 - o Flexible schedule with ability to work overtime, and weekends if needed.
 - o Excellent verbal, written, telephone, and communication skills.
- Be a Problem Solver: A Problem Solver is always looking for a solution, and solutions often take multiple tries.
 - o Diagnose and solve problems in a timely manner.
 - o Partner with teammates or vendors to further solutions,

if needed. Sometimes, we only need a solution in the moment.

- Perform general plant maintenance and repairs.
- Replace or repair screens and conveyor systems.
- Fabricate and weld as needed.
- Use of various power and hand tools; including cutting tools.
- Every Minute Counts: Our team moves with purpose. Every action affects the whole team, including our customers.
 - Able to meet deadlines or production-based goals consistently.
- Do What You Say, Say What You Do: We value ownership and telling the truth even when it sucks. This is how we treat our customers and teammates.
 - Completed Part 46 MSHA training.
 - Ability to lead and manage 1-3 people.
 - Working knowledge of an aggregate plant and aggregate mining operations.
 - Able to climb stairs/ladders higher than 24 feet.
 - Able to lift and carry 50lbs and work in inclement weather.

Preferred Qualifications

- Minimum of 1-3 years of experience in a mining operation.
- Minimum of 1-3 experience operating front end loaders.
- Previous knowledge of MSHA regulations is preferred.
- Minimum of high school diploma / GED.
- Valid driver's license.
- Understanding of computerized controls and electronics.

If you or anyone you know are interested in this role, please email your resume to raegan@orrvilletrucking.com or calling 330-682-4010 extension 100.
